

The AmCham Loft

The AmCham Loft is a downtown Copenhagen meeting space for AmCham members, located across from the U.S. Embassy. It offers a private and informal setting for members to engage in knowledge sharing for off-site meetings such as team building, strategy workshops, leadership sessions, etc. Equipped with advanced technology, it also allows for virtual or hybrid conferences with smaller groups. Moreover, it has a large balcony overlooking Dag Hammarskjölds Allé, providing a picturesque view.
